

Welcome to this ECDC e-learning course on: "Abstract writing"

With Arnold Bosman, head of Public Health Training at European Centre for Disease Control(ECDC).

Course at a Glance:

- Duration 6 weeks
- 2-3 hours/week
- 1 writing assignment:
 - ✓ Write and submit one abstract: to write your abstract, use a project of your own or, if you do not have one, use the scenario reported in the slide set called "[NosocomialOutbreak.ppt](#)"
- 2 peer review assessments
 - Review 2 abstracts of peers: (instructions will be provided)
 - Evaluate 1 review of an abstract made by a peer and the previous assignment (instructions will be provided).
- Language English
- Glossary available
- Additional reading material available

Module guide

Please note: that the estimated completion time (below) illustrates the minimum time investment required, in order for you to complete the modules. It does not include the time you might use to read any additional materials analyze and answer questions in the quizzes or time spent interacting with other learners, to aid your learning.

Topic	Estimated completion time (minutes)
Welcome	7
Make a difference	17
Write an abstract	30
Reviewing an abstract	16
The gift of feedback	10
Total	80
